

Technical drawing of a rectangular box, likely a container for a medical device, showing internal compartments and a diamond-patterned mesh. The drawing includes dimensions and a scale bar.

- The box is divided into two main sections by a central vertical line.
- Each section contains a diamond-patterned mesh (hatched area) and a circular component with a central hole.
- Dimensions are indicated by arrows:
  - 7 1/2" (vertical dimension on the left side)
  - 7 1/2" (horizontal dimension on the left side)
- A scale bar is located at the bottom left, labeled "1/2\"".
- The drawing uses dashed lines to indicate internal structure and solid lines for the outer boundary.

- (2) TYPE 'G' HANDLES PER LID

WAS NF 22455-A
